Hi Joe. It looks that the matter Bill and I were working on has been postponed. Is this going forward and if so would you still like me to participate?

I am very sorry, but I have a new commitment related to the Gold King Mine response from 10-1130 tomorrow, so I won't be able to make this call. Either go ahead without me or we can reschedule.

Hi, Everyone:

It looks like this time will work for everyone (at least until 11:00 a.m.). The agenda includes the sites in Jenny's email below. Please use the conference number and code in the Location line above (Conference Call: 1-866-299-9141, Conference Code: 50349272#). I can come over to DEQ if it makes it any easier. Please let me know if this will not work for you or if you have any additional items for the agenda.

1. Anaconda Aluminum Columbia Falls – Flathead County Commissioners Letter/Superfund Alternative Approach
2. East Helena Superfund Site – American Chemet/CERCLA Consent Decree Negotiations
3. Carpenter Snow Creek OU1 – Neihart Remedial Design/Remedial Action Update

Thank you,

Joe

**Subject:** Coordination Meeting

Hi Bill -

I was wondering if we could look at scheduling a coordination call next week. Our governor's office received the attached letter from the Flathead County Commissioners meeting regarding CFAC. We are wondering if EPA has a position regarding the Superfund Alternative Approach and if the statements in this letter is correct.

In addition, to CFAC I would like to touch base on a few other topic areas:

- East Helena Superfund Site – American Chemet and initiation of CERCLA negotiations.
- Update on OU-1 Neihart

Times currently open for a call are:

Thursday, Feb 11 – 10:00-12:00 or 1:00-3:00

Friday, Feb 12 – 8:00-10:00

Thanks -

Jenny
